38th Annual Las Vegas Seminars

PEDIATRIC UPDATE

NOVEMBER 17-20, 2016 Caesars Palace | Las Vegas | Nevada

Welcome

This year, the Annual Las Vegas Seminars will be held at the exciting Caesars Palace in Las Vegas. The usual attendance at our conference, now in its thirty-eighth year, exceeds 600 practitioners, representing pediatricians and allied health professionals from all parts of the United States and from many foreign countries.

We thank our many excellent speakers - a true all-star cast of the most knowledgeable educators in pediatrics and pediatric subspecialties. Most of all, we are grateful to our meeting registrants for their continuing interest and enthusiasm.

General Information

The overall learning need identified by our physicians' education committee was for practical, evidence-based medicine that can be applied in the clinical setting. Needs in a wide variety of subject areas were identified. This program will address the areas of: **Cardiology, Developmental & Behavioral Pediatrics, Gastroenterology, Infectious Diseases, Neurology, and Orthopedics.** This is an opportunity to escape the frantic pace of wintertime pediatrics, visit with old friends, make new friends, and return home refreshed with new knowledge and relaxed from three to four beautiful days in exciting Las Vegas.

Program Objectives

At the conclusion of this activity participants should be able to:

- Predict when a cardiac arrhythmia is life threatening
- Use best practices in diagnosing autism
- Identify functional abdominal pain in children
- Distinguish paroxysmal events from seizures
- Understand the role of azithromycin in common pediatric infections
- Define what is new in the 2016 AAP DDH guidelines
- Identify and assess the bully and bully-victim
- Describe 3 strategies that can reduce the risk of C. difficile infection

- Recognize red flags when evaluating back pain in children
- Appreciate when to use a defibrillator in pediatric patients
- Manage increased intracranial pressure, acute neurological weakness and spinal trauma
- Appreciate the different presentations of celiac disease
- Recognize 2 non-hematogenous types of osteomyelitis in children
- Design a successful psychopharmacology management plan
- Interpret the evidence regarding pediatric concussions
- Cite the tests used to diagnose intestinal motility disorders
- Diagnose normal vs abnormal toeing in and out
- Understand the future of remote cardiac monitoring

Target Audience

This seminar is directed toward urban and rural, general and sub-specialty pediatricians, as well as non-pediatric physicians, nurses, nurse practitioners and other allied health professionals.

Register Online at www.aap-ca.org

Registration and Message Center

The AAP-CA on-site registration desk will be open on Thursday evening from 5:00 to 8:00 pm and during the meeting from 7:00 am to 1:00 pm. Upon registration you will receive an electronic flash drive syllabus and folder with meeting information. Full paper syllabus is also available for an additional charge of \$35. A message center and information desk will be maintained during the meeting in the registration area. For information prior to the meeting call 626.796.1632, or e-mail meetings@aap-ca.org. During the meeting, please call the hotel at 702-731-7110 and ask for the Pediatric Meeting in the Palace Tower Conference rooms.

Cancellation and Refund Policy

Program registration cancellations by October 30, 2016 will be subject to an administrative charge of \$50. There will be no refunds for cancellations after October 30, 2016. All cancellations must be in writing.

Disclosure Of Financial Relationships And Resolution Of Conflicts Of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities. The content of these CME activities does not necessarily reflect the views or policies of the AAP.

Accreditation

• This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Pediatrics (AAP) and the California Chapter District IX of the American Academy of Pediatrics (AAP). The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

• The AAP designates this live activity for a maximum of 16.00 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

• This activity is acceptable for a maximum of 16.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to

Fellows and Candidate Members of the American Academy of Pediatrics.

• The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 16.00 hours of Category 1 credit for completing this program.

• This program is accredited for 16.00 NAPNAP CE contact hours of which 0 contain pharmacology (Rx), (0 related to psychopharmacology) (0 related to controlled substances), content per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

This Live activity, 38th Annual Las Vegas Seminars, with a beginning date of 11/17/2016, has been reviewed and is acceptable for up to 16.00 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Information

There is a continental breakfast and coffee service **for registered attendees only** in the exhibit halls each morning. Coffee service is maintained through the midway break each day.

There are luncheon seminars on Friday and Saturday. The six Friday seminars are repeated on Saturday to allow the registrants to attend as many as two different seminars. There is an extra charge of \$75 for each luncheon seminar. Seating is limited. Once maximum seating has been reached, registration for that luncheon seminar will close. Please indicate a second choice and register at least three days in advance.

The lectures will be recorded by the Audio Digest Foundation, 450 N. Brand Blvd. Ste. 900, Glendale, CA 91203; Phone: 818.240.7500.
